Thus, the TRIBE has adopted a program whereby it reviews significant transactions and the persons or entities involved with those transactions to assure compliance with all applicable laws and regulations relating to gaming.

If not already an approved and registered vendor with the TRIBE, the highest scoring or lowest-priced vendor(s) will be required to submit a completed and fully executed Vendor Application and Registration Form to the TRIBE's Purchasing Department. The highest scoring or lowest-priced vendor(s) shall not initiate this process until requested by the TRIBE's Purchasing Department.

Upon successful completion of an investigation into the past and current activities, associations, and reputation of the applicant, the TRIBE will assign a vendor number and the vendor will be added to its Master Vendor File. The TRIBE may not enter into any business transactions with any vendor whose name does not appear on its Master Vendor File.

Should the highest scoring or lowest-priced vendor(s) be unresponsive or unable to successfully complete the vendor registration process, the TRIBE reserves the right to halt the vendor registration process with the highest scoring or lowest-priced vendor(s) and move onto the next highest scoring or lowest-priced vendor(s). Should the next highest scoring or lowest-priced vendor(s) be unresponsive or unable to complete the vendor registration process, the TRIBE will continue to halt the vendor registration process and move onto the next highest scoring or lowest-priced vendor(s) until a vendor(s) is successfully registered.
