SECTION V – SELECTION PROCESS

1. NOTICE REGARDING OPTIONS

The TRIBE may choose to select either Option 1 or Option 2 described in *Attachment A – Scope of Work* and will notify the awarded CONTRACTOR which option has been selected.

2. EVALUATION CRITERIA

The TRIBE will conduct a comprehensive, fair, and impartial evaluation of all documents received in response to this solicitation.

The TRIBE shall evaluate all submissions in the order listed below. The applicable bid(s) will be eliminated if: any of the criteria is incomplete; any of the criteria is not met; the required schedule cannot be met; or the TRIBE determines the bid(s) to be unqualified based on any other relevant factor.

- On-time and complete submission (with all required documentation)
- License requirements met
- Projected completion date and lead time
- Previous performance at a satisfactory level
 - The TRIBE reserves the right to eliminate any submission should BIDDER have evidence of previous poor or unsatisfactory performance for similar or dissimilar services performed for the TRIBE or other companies.
- Statement of Qualifications (if applicable)
- Current and pending workload with the TRIBE performing similar and dissimilar services, and capability to take on additional responsibilities without negatively impacting existing opportunities
- Any other relevant factors, as listed in the solicitation
- Pricing versus the market
 - Pricing will be listed from lowest price to highest price for all bidders whose submission meets the minimum requirements listed above.

The remaining bid(s) will be evaluated on a price versus the market comparison and an awardee(s) will be determined. The TRIBE may select one (1) or multiple respondents to provide the solicited services. The TRIBE reserves the right to split award in its sole discretion.

This solicitation and selection process shall in no way be deemed to create a binding contract, agreement, or offer of any kind between the TRIBE and any entity. If the TRIBE selects a CONTRACTOR(s) to provide the services described in this solicitation, any legal rights and obligations between the successful CONTRACTOR(s), if any, and the TRIBE will come into existence only when an agreement is fully executed by the parties, and the legal rights and obligations of each party shall at that time be only those rights and obligations which are set forth in the agreement and any other documents specifically referred to in that agreement and executed by the parties.

3. RIGHT TO RESCIND AWARD

The TRIBE reserves the right to rescind an award should the awardee be considered, in the TRIBE's sole opinion, to be inflexible in its agreement negotiations.

4. SEMINOLE TRIBAL MEMBER VENDOR PREFERENCE

The TRIBE encourages its Members who own their own business, or who are majority owners of a business, to bid on goods and services through the competitive bidding process.

The TRIBE will give preference to qualified business entities certified by the TRIBE. "Qualified" shall mean, notwithstanding the above:

A Tribal Member, spouse, child, or business entity who:

- Is actively involved in the business and owns 51% or more of the business;
- Can provide goods or services at competitive prices;
- Has demonstrated skills and abilities to perform the task to be undertaken in an acceptable manner; and
- Can meet the application, bonding and licensing requirements.

For construction projects, preference will be given to bids submitted by Tribal Members as long as the bid is equal to or less than 4% (not to exceed \$200,000) of the lowest non-Tribal member bid.

For non-construction projects, preference will be given to bids submitted by Tribal Members as long as the bid is equal to or less than 3% (not to exceed \$100,000) of the lowest non-Tribal Member bid.

5. VENDOR APPLICATION AND REGISTRATION PROGRAM

Because the TRIBE is engaged in Indian tribal gaming in accordance with the Indian Gaming Regulatory Act and the regulations promulgated by the National Indian Gaming Commission, the TRIBE cannot engage in significant transactions with individuals or business entities whom, because of past or continuing activities, associations, or reputation, might bring discredit to the TRIBE and its gaming operations. Thus, the TRIBE has adopted a program whereby it reviews significant transactions and the persons or entities involved with those transactions to assure compliance with all applicable laws and regulations relating to gaming.

If not already an approved and registered vendor with the TRIBE, the highest scoring or lowest-priced vendor(s) will be required to submit a completed and fully executed Vendor Application and Registration Form to the TRIBE's Purchasing Department. The highest scoring or lowest-priced vendor(s) shall not initiate this process until requested by the TRIBE's Purchasing Department.

Upon successful completion of an investigation into the past and current activities, associations, and reputation of the applicant, the TRIBE will assign a vendor number and the vendor will be

added to its Master Vendor File. The TRIBE may not enter into any business transactions with any vendor whose name does not appear on its Master Vendor File.

Should the highest scoring or lowest-priced vendor(s) be unresponsive or unable to successfully complete the vendor registration process, the TRIBE reserves the right to halt the vendor registration process with the highest scoring or lowest-priced vendor(s) and move onto the next highest scoring or lowest-priced vendor(s). Should the next highest scoring or lowest-priced vendor(s) be unresponsive or unable to complete the vendor registration process, the TRIBE will continue to halt the vendor registration process and move onto the next highest scoring or lowest-priced vendor(s) until a vendor(s) is successfully registered.
