## AS-NEEDED DEMOLITION SERVICES OF UNSAFE STRUCTURES (TRIBALWIDE)

### Addendum No. 1, Date issued September 16, 2024

This Addendum No. 1 is hereby made a part of RFQ 71-2024 and has been issued by the Seminole Tribe of Florida (hereinafter the "Tribe") to answer questions submitted by prospective bidders.

RFQ 71-2024 is amended as follows:

The following questions are being addressed through this Addendum No. 1:

GENERAL	
1.	<p><b>Q:</b> Are there plans or picture that can give a better insight of the project?</p> <p><b>A:</b> At this time, there are no photos of a typical demolition project as each one is usually different. However, all of the demolition projects anticipated to be addressed by this solicitation are standard, single-family structures/homes.</p>
2.	<p><b>Q:</b> What would be the project budget?</p> <p><b>A:</b> The Tribe has funds allocated to address the demolition and removal of unsafe structures, on an as-needed basis. While the exact number of structures to be demolished under this program is unknown, it is expected to be meaningful.</p>

All other content for RFQ 71-2024 remains the same.
